Job Description: As a Remote Customer Support Specialist at KONE, you will play a pivotal role in ensuring exceptional customer service and support. Working remotely from Finland, you will engage with customers, providing technical assistance, troubleshooting, and resolving inquiries related to elevator and escalator systems. Your dedication to customer satisfaction and your technical expertise will contribute to KONE's reputation as a leader in the industry.

Key Responsibilities:

1. Provide prompt and courteous customer support via phone, email, and other communication channels.
2. Diagnose technical issues with elevator and escalator systems and provide timely resolutions.
3. Guide customers through troubleshooting steps and provide clear instructions for issue resolution.
4. Collaborate with internal teams, including technical support and field service technicians, to escalate and resolve complex issues.
5. Document customer interactions, including inquiries, issues, and resolutions, in the company's CRM system.
6. Stay up-to-date on product knowledge, technical specifications, and industry trends to provide accurate and relevant support.

7. Contribute to continuous improvement initiatives by identifying opportunities to enhance customer support processes and systems.
8. Adhere to company policies, procedures, and service level agreements to ensure quality and consistency in customer support delivery.
