Description

Draftsperson Job in PERSOLKELLY Singapore Pte Ltd

Are you detail-oriented and skilled in creating technical drawings? PERSOLKELLY Singapore Pte Ltd is looking for a talented Draftsperson to join our team. In this role, you will assist in preparing and reviewing technical drawings, ensuring that designs are accurate and meet project requirements. If you enjoy working with designs and have an eye for detail, this job is perfect for you!

Responsibilities:

- Create and prepare detailed technical drawings using AutoCAD or other design software.
- Review and update drawings as per project requirements and changes.
- Ensure all designs comply with safety standards and regulations.
- Work closely with engineers and architects to develop accurate plans.
- Maintain organized records of drawings and design changes.
- Assist in creating 3D models and visual representations of projects.
- Coordinate with other team members to ensure designs meet project timelines.
- Prepare reports and assist with project documentation.
- Provide support in site inspections to gather necessary data for designs.
- Perform quality checks to ensure designs meet all specifications.
