Description

Health Attendant Job in National Healthcare Group Careers

Are you looking for a job where you can help people and make a difference? National Healthcare Group is hiring a Health Attendant. If you enjoy helping others, this is a great job for you. You will be part of a team that works hard to take care of patients. This job is important because you will help people feel comfortable and safe. If you are caring, responsible, and ready to help, we would love to hear from you!

(adsbygoogle = window.adsbygoogle || []).push({}); **Responsibilities:**

- Assist patients with daily activities like bathing, dressing, and eating.
- Ensure patients are safe and comfortable.
- Help move patients from one place to another.
- Monitor patients' health and report any changes to the nurse.
- Help patients take medicine on time.
- Clean and tidy the patients' rooms.
- Provide emotional support to patients.
- Assist with exercises or physical therapy.
- Communicate with patients and their families.
- Help in the preparation and serving of meals.
- Follow health and safety rules.
- Keep records of patients' activities and care.
- Work with doctors and nurses to provide the best care.
- Help with transportation of patients within the hospital.

Hiring organization

National Healthcare Group
