### Description

## Site Engineer Job in UES HOLDINGS PTE LTD Careers

UES HOLDINGS PTE LTD is looking for a Site Engineer to join their team. This is a great opportunity for someone who wants to work in construction and manage site activities. You will be responsible for overseeing the work on-site and ensuring that everything runs smoothly. If you are a problem-solver and enjoy working with a team, this job is perfect for you!

(adsbygoogle = window.adsbygoogle || []).push({}); **Responsibilities:**

- Supervise construction work on-site.
- Ensure all work meets quality standards.
- Manage daily operations at the site.
- Monitor the progress of construction projects.
- Ensure safety rules and regulations are followed.
- Communicate with workers and contractors.
- Check if materials are available and on-site.
- Report any issues to the project manager.
- Help in planning and organizing tasks.
- Keep the site clean and organized.
- Ensure the project is completed on time.
- Inspect equipment to ensure it's in good condition.

### Hiring organization

UES HOLDINGS PTE LTD

### Date posted

January 16, 2025
