### Description

## Civil / Site Engineer (Free Visa Sponsorship 2024) – Switzerland

### About the Job

We are looking for experienced and motivated Civil/Site Engineers to join our team in Switzerland. This position includes free visa sponsorship, making it an exciting opportunity for international candidates. You will be responsible for overseeing construction projects, ensuring they meet design specifications, and are completed on time and within budget. If you have a passion for engineering and construction management, this role is perfect for you!

(adsbygoogle = window.adsbygoogle || []).push({});

### Key Responsibilities

- Manage and supervise construction activities on-site.
  - Ensure that projects adhere to technical specifications and safety standards.
  - Collaborate with architects, contractors, and other stakeholders.
  - Oversee project timelines, budgets, and resource allocation.
  - Conduct site inspections and prepare progress reports.
- (adsbygoogle = window.adsbygoogle || []).push({});

### Requirements

- Bachelor's degree in Civil Engineering or a related field.
  - Proven experience as a Civil or Site Engineer.
  - Strong knowledge of construction methods, regulations, and safety standards.
  - Excellent communication skills in English (knowledge of French/German/Italian is a plus).
  - Ability to manage multiple projects and work under pressure.
- (adsbygoogle = window.adsbygoogle || []).push({});

### Benefits

- Free visa sponsorship for international candidates.
- Competitive salary based on experience.
- Health insurance.
- Paid time off and public holidays.
- Opportunities for professional development and career advancement.

### How to Apply

If you are interested in this Civil/Site Engineer position, please submit your application through the official site. We look forward to welcoming you to our team!
